

Access to Justice

Name: Access to Justice
Location: McMurtry Gardens of Justice
Artist: John Atkin

In Video #4, they introduced the statue **Access to Justice** found in the McMurtry Gardens of Justice in Toronto. In the video, the speaker states that there is “inequality in how we approach the justice system as individuals.” What does he mean by this? Discuss the ways in which the doors (or frames) in the statue represent both the goal of equal access to justice for all, and persistent inequality in access to justice in our society.
